ABOUT STEWARD: 2008 GNCC Youth Champion, Steward Baylor, won the first 8 GNCCs in a row to clinch the Youth Overall Title. He has since moved to a big bike where he has consistently placed in the top 5 in both Pro and A Classes. He is this month's featured Fastway athlete and you can read that interview at www.promotobillet.com.* You can also see him interviewed on GNCC TV most Sundays at 2:30 & Thursdays at 4pm on Versus Network.** To "meet" Steward, watch his "Interview" at www.stewardbaylor.com***

ABOUT GRANT: Projected to be faster than Steward is younger brother, Grant. Grant also boasts many off-road Championships, and is the current GNCC 85cc points leader. Both boys represent the 2008 KTM/PG satellite team, with plans to ride KTM again in 2009. Dedicated to winning, the boys use the Steve Hatch training program daily, and attend frequent training camps with Jason Raines.

2009 PLANS/GOALS: Next year's plans include full commitment to GNCC's as well as SE&TRA and MidEast Harescrambles for 40+ races spanning the East Coast with more than 30,000 travel miles. Both boys ride to win their classes and next year Steward plans to ride A Class at GNCC's & AA at regionals; Grant will ride either 105 or 85cc at all events. Steward's goals include winning GNCC 200A next year, and eventually moving to the Pro Ranks for a top podium spot. Grant's goals include being undefeated in every class in 2009 and being faster than Steward—of course!
